Inspiring people to achieve
breakthrough results....

.... begins at the
IWNC Great Wall Courtyard

Why IWNC Great Wall Courtyard?

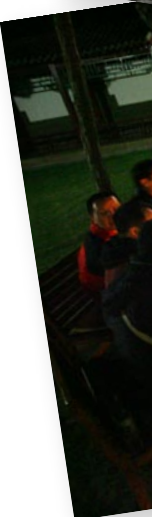

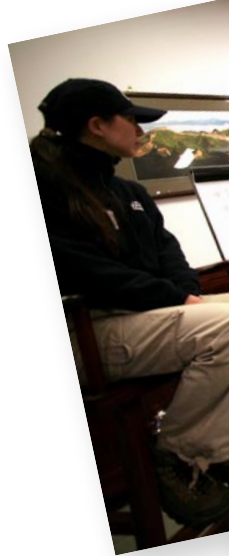

A perfect venue for workshops, training programs, and events, the IWNC Great Wall Courtyard lies at the foot of the Great Wall in Jinshanling, one of the most remarkably beautiful and impressive sections of the Great Wall of China.

A mere two hours northeast of Beijing, the IWNC Great Wall Courtyard provides an exclusive, peaceful environment for a memorable and magical experience.

IWNC clients have found that the Great Wall Courtyard is an ideal location for inspiring people to achieve breakthrough business results. Indoor and outdoor meeting facilities and areas for training create a stimulating environment for learning as well as team activities. Easy access to Great Wall turrets facilitates group discussions and individual reflection in a truly unique setting.

The surrounding area of the Jinshanling Great Wall National Park allows IWNC to offer a range of outdoor activities, including:

- Walking and taking long hikes on the Great Wall
- Camping on the Great Wall, under millions of stars
- Jogging on trails in the scenic countryside
- Exercising on outdoor challenge courses
- Abseiling off the Great Wall

Client testimonials

"The **inspiring** location of IWNC in Jinshanling in combination with the intense and out-of-comfort zone discussion among senior managers gave us an **unique** opportunity to exchange and to agree on a joint path forward.

In the last 18 month, we worked three times with IWNC and they managed to deliver a consistent **quality**, intense interaction among team members, and the expected outcome. We are looking forward to the next experience."

• Steve Lawrence,
Specialized Training, Cathay Pacific Airways

"I have found that the Great Wall Courtyard has more **influence** than any other on the positive **outcomes** that attendees have derived. The complex itself is inspiring, and an attendee on walking through the door made the comment to me **'if you cannot be positive here, you can be positive nowhere.'**"

• Peter O'Sullivan
Director, Tenon Financial Services

"We **appreciated** very much the team building training jointly conducted by IWNC and Siemens Management Institute in Jinshanling. The **improvement** of our teamwork is remarkable. The knowledge and inspiration we have brought back from Jinshanling has **benefited** our professional and personal lives from time to time."
